This document does not constitute an offer of services in jurisdictions where Donovan Group LLC and/or its affiliates do not have the necessary or appropriate licenses. All information provided by Donovan Group LLC and its affiliates is impersonal and not tailored to the needs of any person, or entity or group of persons and/or entities. Donovan Group LLC and its affiliates intend to receive compensation in connection with licensing their indices to third parties. **[Any returns or performance provided within are hypothetical and for illustrative purposes only and do not demonstrate actual performance. Hypothetical performance results have many inherent limitations, including the benefit of hindsight and the absence of actual market conditions. Past performance is not a guarantee of future investment results.]**

It is not possible to invest directly in an index. Exposure to an asset class represented by an index is available through investable instruments based on that index. Donovan Group LLC and its affiliates do not sponsor, endorse, sell, promote or manage any investment fund or other vehicle, including any fund or other vehicle offered by a third party, that seeks to provide an investment return based on the returns of any RoD index. There is no assurance that investment products based on the index will accurately track index performance or provide positive investment returns. Donovan Group LLC is not an investment advisor, and Donovan Group LLC and its affiliates make no representation regarding the advisability of investing in any such investment fund or other vehicle. A decision to invest in any such investment fund or other vehicle should not be made in reliance on any of the statements set forth in this document. Prospective investors are advised to make an investment in any such fund or other vehicle only after carefully considering the risks associated with investing in such fund or other vehicle, as detailed in an offering memorandum or similar document that is prepared by or on behalf of the issuer of such fund or other vehicle. Inclusion of a security within an index is not a recommendation by Donovan Group LLC or its affiliates to buy, sell, or hold such security, nor is it considered to be investment advice.

Donovan Group LLC and its affiliates do not guarantee the accuracy and/or completeness of any RoD index, any data included therein, or any data from which it is based, and neither Donovan Group LLC nor its affiliates shall have any liability for any errors, omissions, or interruptions therein. Donovan Group LLC and its affiliates make no warranties, express or implied, as to results to be obtained from use of information provided by Donovan Group LLC or its affiliates, and Donovan Group LLC and its affiliates expressly disclaim all warranties of suitability with respect thereto. While Donovan Group LLC and its affiliates have obtained information believed to be reliable, Donovan Group LLC and its affiliates shall not be liable for any claims or losses of any nature in connection with information contained in this document, including, but not limited to, lost profits or punitive or consequential damages, even if it or they are advised of the possibility of same. Donovan Group LLC and its affiliates keep certain activities of their respective business units separate from each other in order to preserve the independence and objectivity of their respective activities. As a result, certain business units of Donovan Group LLC and/or its affiliates may have information that is not available to other business units of Donovan Group LLC and/or its affiliates. Donovan Group LLC and its affiliates have established policies and procedures to maintain the confidentiality of non-public information received during each analytic process. Donovan Group LLC and its affiliates provide or may in the future provide a wide range of services to, or relating to, many organizations, including issuers of securities, investment advisers, broker-dealers, investment banks, other financial institutions and financial intermediaries, and accordingly receive or may in the future receive fees or other economic benefits from those organizations, including organizations whose securities or services they may recommend, rate, include in model portfolios, evaluate or otherwise address.
